A long wooden train made of light-colored wood with dark wheels, sitting on a green lawn. The train is composed of several rectangular carriages connected together. The front carriage has a large cylindrical smokestack. The wheels are dark and have small blue circular details. The background is a lush green lawn. In the top right corner, the text 'early years' is written in white, with the 'e' and 's' having orange triangle outlines.

The ability to offer unrivalled value for money whilst still ensuring exceptional quality and longevity is key. The Early Years range accommodates all budgets and play scheme sizes. Our uncompromising approach to safety during the design and manufacturing process is paramount. With this in mind the Early Years range is designed to meet the requirements of BS EN 1176.

In order to ensure the highest level of accuracy, all units are produced on our custom made, state of the art, 6 Axis CNC machine. This technology allows us to offer unparalleled accuracy in the field of play timber production.
